March, 2009

**Spring greetings to all
Theta Omicron members.**

Impossible as it may seem, true spring will be here soon. The days and light are lasting longer despite the lingering snow and ice. Theta Omicron has several opportunities for members to gather and energize each other in the coming months. Please join us at the Snow Goose for the membership meeting on the 25th of March at 5:30pm.

Come welcome our new members who will be inducted on **April 16th at 7PM at the UAA Consortium Library, Rm 307.** Or if you prefer action, join team Theta Omicron at the Alaska Run for Women. Become involved in your chapter. Participate in the activities we have planned and challenge your organization to create new ones.
